BACKGROUND

I, Walter Uribe, and other family members are victims of causal stalking and rogue non-consensual testing perservering against obstruction of justice by Project Artichoke program control rooms at Central Intelligence Agency (CIA) at 6500 N. Arlington Road, Arlington, VA 22365 managed by CIA's National Clandestine Service HUMINT Division which can be reached at (703) 482-0623.

I, Walter Uribe, am entitled to an injury amount of \$100 million dollars or another amount to be negotiated with Central Intelligence Agency (CIA).

STIPULATIONS

1. I stipulate to the Court that I am a victim of causal stalking and rogue non-consensual testing perservering against obstruction of justice by Project Artichoke program control rooms at Central Intelligence Agency (CIA) managed by CIA's National Clandestine Service HUMINT Division.
2. I cannot live and breathe my democracy due to satellite-driven 'slow-kill no-touch' assaults that involve satellite-driven directed energy to my body and organs, offensive psychotronic communication invasively deep to the audio cortex of my brain, and remote neural inserts of images and other 'defensive extractions' to the visual cortex of my brain which are intended to strip my reproduction, prevent me from working for a living, and cause psychological trauma resulting in a breakup of close relationships and force relocation.
3. CIA is trying to help Walter Uribe to identify and locate rogue HUMINT operatives in Project Artichoke, Monarch/New Phoenix, and Targeted Killing program control rooms. See attached - Exhibit A.
4. I stipulate to the Houston Police Department to provide the INTEL report generated under my name, Walter Uribe, which I have knowledge contains misinformation and omits references to my background as an Aerospace Engineer having been assigned the highest level of security clearances by Defense Security Service and Defense Industrial Security Clearance Office (DSS/DISCO) including top secret and working on

penultimate weapon systems development such as Advanced Medium-Range Air-to-Air Missile (AMRAAM), Lightweight Exo-Atmospheric Projectile Kinetic Kill Vehicle/Star Wars Defense Initiative (LEAP-KKV/SDI), and a 1988 top secret program at Rockwell International to create the unbreakable encryption scheme to securely encrypt satellite-driven directed energy weapon systems, offensive psychotronic communication, and control room instrumentation based on my family bloodline with the oldest, rarest, and most complete set of haplogroups thought by CIA to be 'the longest-running lineage' on Earth as well as the exact bloodline to Jesus and Mary Magdalene (haplogroup R1).

5. I stipulate knowledge that six (6) of my family members (grandmother, 2 uncles, cousin, grandfather, and pre-born) have been killed since 1991 by Monarch program control rooms populated at one time with Charles Bratton, former New York Police Department (NYPD) Officer and Los Angeles Police Department (LAPD) Police Chief, and others per Exhibit A to illegally create/distribute encryption schemes using satellite-driven waveforms off their bodies per usurped 1988 top secret program at Rockwell International and eventually abscond with my family bloodline by cryogenically procreating with a stolen blood sample producing a cloned son named Charles Bratton III.
6. I stipulate the mailing of a Freedom Of Information Act (FOIA) Appeal Letter as an affidavit for the court to exercise judgement for granting an appeal to the Agency Release Panel at CIA in person with Freedom Of Information Act (FOIA) Information and Privacy Coordinator, Michelle Meeks. See attached - Exhibit B and C.
7. Per top secret instruction given by a top secret liaison representating the Joint Chiefs of Staff, I seek immediate facilitation to top-tier domain oversight by the Department of Defense to formally report the 'clean usurpation' by former 41st United States President George Scherff Jr/aka George Bush Sr and the Bavarian Illuminati including up to 100 Operation Paperclip clones and rogue HUMINT operatives at the onset of his presidential administration of a 1988 top secret program at Rockwell International to create the unbreakable encryption scheme to securely encrypt satellite-driven directed energy weapon systems, offensive psychotronic communication, and control room instrumentation using satellite-driven waveforms off my body at ground floor based on my family bloodline with the oldest, rarest (mtDN13), and most complete set of haplogroups thought by CIA to be the 'longest-running lineage' on Earth ever found as well as the exact bloodline to Jesus and Mary Magdalene.
